**PERSIAN CLOVER**—A very valuable clover for the South. Furnishes splendid grazing for cattle from December until June, and yields 2 to 3 tons of rich nutritious hay per acre, which can be easily cut and cures very quickly. Is a splendid soil builder. Sow 6 to 8 pounds per acre from September to November, and cover lightly. Reseeds itself even when closely grazed. Makes an upright growth 2 to 3 feet high. Will stand wetter lands than most clovers. Seed should be inoculated with NITRAGIN. See page 10. Price: Lb. 75c; 5 lbs. \$3.50 postpaid. Write for prices on larger quantities.

**SWEET CLOVER OR MELLOTUS**—Also known as Bokhara Clover. As a land-builder it has few equals. It is fine for raising bees and to build up your poor land. Sow 12 pounds per acre in February planting. Lb. 45c; 5 lbs. \$2.00, postpaid.

**YELLOW BLOSSOM SWEET CLOVER**—The Yellow Blossom type is very similar to that of the White Blossom. For those who wish to use Sweet Clover for pasture, hay and bee purposes, we would advise the use of the Yellow Blossom type. Lb. 25c; 5 lbs. 75c, postpaid. Write for prices on larger quantities.

**HAIRY PERUVIAN ALFALFA**—Tall, vigorous growing and will live as long as any type where the winters are not too cold and where there is summer moisture. Gives you more cuttings than any other type and after each cutting it recovers rapidly. Sow during September and October in thoroughly prepared, well drained soil, broadcast or in drills at the rate of 15 to 20 pounds per acre. Seed should be inoculated with NITRAGIN. Prices: Lb. 65c; 5 lbs. \$3.00, postpaid. Write for prices on larger quantities.

**RED CLOVER**—Sow in the fall or spring. 12 to 15 lbs. to the acre. Largely used in combination with other grasses and clovers for permanent pastures. Prices: Lb. 75c; 5 lbs. \$3.50, postpaid. Write for prices on larger quantities.

**WHITE DUTCH CLOVER**—This clover does well in the Central South. Most all permanent lawn and pasture mixtures should have some White Clover. By itself it makes good grazing for cattle and sheep. Lb. \$1.25; 5 lbs. \$5.75, postpaid. Write for prices on larger quantities.

**ALYCE CLOVER**—This new clover should be on every farm in the South. Grows tall, furnishes much more hay or pasture of finer quality feeding value. Planted spring and early summer at the rate of 10 to 12 lbs. per acre. 45c lb.; 5 lbs. \$2.00, postpaid.

**FANCY BERMUDA**—Most valuable grass for the South. Grows on all kinds, from heaviest clay to the lightest sand and furnishes abundant pasturage. Bermuda withstands drought and scorching summer sun. Sow 5 to 10 pounds per acre (2 pounds per 1,000 sq. ft. for lawns), March 1 to September 1 in lower South. Seed will not germinate in cold ground. 20 to 30 days to germinate. 1 Lb. 90c; 5 lbs. \$4.00, postpaid.

The winter grass for all the South. Superior to foreign grown Italian and English Rye Grass seed. Our fancy seed is heavier and more plump, full of vitality, quick to start and strong in growth. It is a fast-growing annual grass with long flat leaves, growing in tufts if left uncut. It is valuable to dairymen for winter and spring grazing, but its great use is for winter and spring lawns.

Matures two weeks ahead of Vetch and makes a splendid temporary pasture in late winter. Furnishes grazing for your livestock, and decays rapidly when plowed under.

Sow Austrian Winter Peas during September and October, in drills, at the rate of 30 pounds per acre and cover 2 inches. May also be sown broadcast and disked in. Sowing the seed broadcast in cotton middles and straddling the rows with a two-horse cultivator with the disk hillers or plows is a very good method of covering. Lb. 25c; 5 lbs. 75c, postpaid. Stands severe winters without injury, grows on practically all types of soil. Vetch is usually turned under in early April. A good crop is equivalent to 250 pounds or more of Nitrate of Soda and valuable humus is put into the soil. Planted September to December, sow 20 to 25 pounds per acre alone, 15 pounds with small grain. Inoculate with NITRAGIN C. Prices: Lb. 35c; 5 lbs. \$1.30, postpaid.
